

Madrona Grace Presbyterian Church Centennial Celebration

Featuring in concert

The Total Experience Gospel Choir and the Madrona Grace Choir

Sunday, March 25, 2012

Please join us in worship, song and breaking bread as we celebrate 100 years of serving the community at 32nd Ave. and Marion St. and honor our Grace Presbyterian heritage.

In this 100-year old building...

- Seattle Head Start opened in 1963
- The Black Panthers fed needy children in the 1960s and 70s
- Youth arts and music programs thrived for many decades
- The new Julia's Place women and children shelter calls the building home today
