Greetings from the Tall Timber Staff!

The staff at Tall Timber would like to invite you to our Spring Pastor's Retreat! This will be a chance to relax after the pressures of Holy Week and Easter. It will be a 2-3 day event (depending on your responses to the survey below) that will include up to 6 meals, housing, access to our hiking trails and available recreation activities (weather dependant), as well as endless coffee, cocoa and tea.

We want to extend this invitation to any of your ministry professionals who work full-time or mostly full-time, that serve in key leadership roles in your church (i.e. Senior Pastor, Worship Pastor, Youth Pastor, Children's Pastor, College Ministry pastor/leader, Administration, etc). Our goal is to make this retreat a time of rest and community for you and your team, to allow you time to meet other leaders who are serving in similar capacities with a similar heart for God's call on our lives, and to cultivate relationships that extend beyond Tall Timber.

Tall Timber is a set apart place that the Spirit has blessed over the decades, allowing people time to disconnect from the pressures at home and reconnect with their Creator in a special and stunning natural sanctuary. Thanks to four pastors who fell in love with the dude ranch that was the camp's predecessor, and with the support of the local presbytery, this amazing property was secured to begin building a place where people from all walks of life could encounter our Triune God. The property became a ministry for many youth from across Washington to encounter Jesus, to grow, and be disciplined. It also became a place of rest for pastors, who could come and stay at the property and refocus on God. We are still committed to this long history of restoration and reconnection.

The cost of the retreat (\$99 for a two-day, \$139 for a three-day) covers food, housing, and any activities that are available (weather dependant). Attached, you will see a proposed schedule. You will also notice there is very little programming scheduled as we want this to be a time to breath and take a break, fully recognizing that everyone rests in their own way; we want to provide space for the rest you need.

Please contact [zachary@talltimber.org](mailto:zachary@talltimber.org) with any questions that you have. If this is something that sparks your imagination then please take 3 minutes to fill out a survey that will measure your interest in a retreat like this.

Grace and Peace,
